

Caroline

brenda riddle designs
Acorn Quilt & Gift Company

When I think about it, Caroline is filled with my favorites - classic florals and ticking stripes, a sweet hobnail-glass texture, feedsack-inspired prints. The warm, soft colors evoke the sweetest times of day... those times just before the sun rises and the moments right after the sun sets over the horizon. Those are good times... sweet times. The designs and hues of Caroline are sure to surround you and awaken those feelings of comfort. May that sweetness surround you for days to come.
