

Stuffed CANDY CANES

*Caloric-Free

1. Trace template onto template plastic or cardboard.
2. Cut out template.
3. Fold a piece of fabric - at least 6" x 9" - in half lengthwise with RIGHT SIDES together.
4. Trace template on WRONG SIDE of fabric - just one side.
5. Stitch on drawn line using a smallish stitch. Leave bottom open.
6. Trim to 1/4" seam.
7. Clip curves or "scoop" seam allowance.
8. Turn right side out and smooth curves and edges.
9. Stuff to desired firmness.
10. Stitch end closed.
11. Soak in stiffener until outside is covered and wet.
12. Let dry - hanging is best.
